# TRUSTEES REPORT FOR THE YEAR ENDED 31<sup>ST</sup> JULY 2019

The trustees are pleased to present their report together with the financial statements of St Albans Symphony Orchestra (SASO) for the year ended 31<sup>st</sup> July 2019. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with SASO's constitution, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard 102 published on 16<sup>th</sup> July 2014.

#### **OBJECTIVES AND ACTIVITIES**

The objectives of the charity are to advance the education of the public in the appreciation of orchestral music by the provision of public performances.

The orchestra contributes to the quality of life of the people of St Albans and surrounding areas by promoting a number of public concerts during the year and performing in concerts promoted by other organisations. In the period under review the orchestra promoted seven concerts in St Albans.

#### ACHIEVEMENTS AND PERFORMANCE

The 2018/19 season opened with performances of Arnold: Peterloo Overture, Shostakovich: Cello Concerto No. 1 and Shostakovich: Symphony No. 5.

In November we held our annual concerts aimed at children, both concerts played to capacity audiences.

The annual New Year's Day concert of popular favourite works included a selection of favourite works around the themes of "Strictly Dancing" and "Mostly Movies".

Our March concert consisted of Matthew Taylor: Storr, Brahms: Violin Concerto with Clare Howick as soloist and Schubert: Symphony D.944, C Major, *The Great*.

In May we were joined by a guest conductor Bill Carslake, to play two works by Ralph Vaughan Williams: Aristophanic Suite Overture (The Wasps) and Fantasia on a theme by Thomas Tallis. The programme was completed with Elgar: Symphony No. 1.

For the final concert of the season, the orchestra were joined by Veronika Shoot in a performance of Grieg: Piano Concerto. This was performed alongside Verdi: La Forza del Destino Overture and Nielsen: Symphony No. 4, The Inextinguishable". This concert was the final concert played by the orchestra's longstanding leader, Jenny Wigram, after 38 years involvement with the orchestra. She retired at the end of the season with the orchestra's warm thanks for all she has contributed and achieved.

During the year the orchestra held a further workshop funded by a legacy from Babs Yule, this time on Walton: Symphony No. 1 culminating in a public performance. Following the success of this workshop, this symphony will now be performed in our March 2020 concert.

# **ACHIEVEMENTS AND PERFORMANCE (continued)**

In addition the orchestra scheduled a programme of events for members of the Friends of St Albans Symphony Orchestra, including the opportunity to attend some rehearsals, and undertook a number of rehearsals with guest conductors.

# FINANCIAL REVIEW

The financial result for the year was a deficit of £1,004 (2018 – surplus £441). This deficit arises due to the planned expenditure on projects for which funds have previously been set aside in restricted or designated funds. The result for the year on unrestricted funds was a surplus of £899.

The concerts in the period under review have continued to attract large audiences.

#### RESERVES POLICY

The current level of free reserves is £54,879; however this falls to £23,244, if designated funds are excluded. The trustees believe that the charity needs to hold a level of reserves for two reasons: firstly as a contingency against a drop in box office income, as around 50% of the annual box office income is generated by the New Year's Day concert and, therefore, is particularly dependant on the success of a single concert; secondly, in order to secure the availability of performers and venues, the orchestra has to enter into a number of contracts up to two years in advance of receiving any income for the planned concerts. To cover the advance contracts and protect against a 50% fall in box office income would require reserves of approximately £35,000. The current level of reserves exceeds the trustees' estimate of the reserves requirement, due to the unexpected receipt of a legacy received in 2011. The trustees have scheduled some additional projects to utilise these funds, and further projects are planned for the future to reduce the orchestra's reserves to around the optimal level over time.

#### RISK MANAGEMENT

In common with all performing organisations, the orchestra relies on ticket sales for a significant proportion of its income. It therefore plans its programme carefully to ensure that expected ticket sales over the course of the season will cover the associated costs. It also has to enter into expenditure commitments before tickets sales take place. The orchestra therefore maintains a level of reserves that would allow it to honour its contractual obligations in the event of lower than expected ticket sales.

Contractual risks are reviewed before being entered into to assess that they could not significantly impact upon SASO's ability to fulfil its charitable objectives. All major insurable risks are subject to insurance policies.

# TRUSTEES REPORT FOR THE YEAR ENDED 31 MARCH 2019 (continued)

#### PLANS FOR THE NEW YEAR

A full season of concerts has been planned in 2019/20 in which the orchestra will perform a varied programme of works. The orchestra is pleased to collaborate with a number of notable soloists during the course of the season.

# STRUCTURE, GOVERNANCE AND MANAGEMENT

The management committee of the orchestra are its trustees for the purpose of charity law and throughout this report are collectively referred to as the trustees. As set out in the constitution the committee is elected annually by the members of the orchestra attending the Annual General Meeting. The Conductor and Leader of the orchestra are Ex Officio members of the committee. Currently the committee has 11 members, who meet periodically to administer the charity.

#### STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these accounts the trustees are required to:-

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the applicable Charities SORP
- Make adjustments and estimates that are reasonable and prudent
- State whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the accounts comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The trustees confirm that the accounts comply with current statutory requirements and those of the charity's trust deed.
